FAQs

Q. Where does the money go?

A. The booster club will raise funds to achieve projects that would be unachievable without its involvement. Dollars raised through the booster club will be targeted toward enhancing the experience of student-athletes.

Q. How will the booster club impact individual sports and programs?

A. The Booster Club is committed to helping individual programs reach their fundraising goals. In addition to facilitating direct donations through Booster Club membership, we will also support and guide strategic fundraising efforts

Q. Why an “activities” booster club, not an “athletics” one?

A. Holy Family is committed to improving our co-curricular offerings across the board. Unlike other athletic-specific booster clubs, we are committed to Holy Family Catholic High School's core values aimed at developing the whole child. For a school unlike any other, we needed a booster club unlike any other and one that extends deep into arts, academics, and spirituality.

Q. How will this impact my kid?

A. By building community, with the student experience at the very center of everything we do, we will create a network of resources, leaders, and partners who will work collaboratively to enrich the experience of each and every student. By providing the option to direct a portion of your membership to the program of your choice, you are able to give resources directly to the activity that you believe impacts your student the most, or the activity you believe needs it the most. It's up to you!
