

Dear Holy Family supporter,

How often do we read the Nativity Story only through the eyes of the weary travelers, Mary and Joseph? But that night Mary and Joseph likely crossed paths with many people, especially innkeepers, who had the ability to meet their need, and, yet, it is with one innkeeper their story finally unfolds.

She wrapped him in swaddling clothes and laid him in a manger, because there was no room for them in the inn. — Luke 2:7

When Mary and Joseph arrive on the doorstep of the innkeeper, it surely is an uncomfortable situation— the innkeeper with no remaining guest rooms, and this couple in need of a place to rest. Never mentioning the innkeeper by name, the Gospel of Luke doesn't tell us how Mary and Joseph find their way next to a manger in a stable. I believe the innkeeper offered what assistance he could to this couple, all the while not knowing the importance of the future that laid ahead of the child Mary carried.

And, so too, each year families arrive at our doorstep, longing for a place in our school for their children, but needing our financial assistance to make it possible. With your support of the Holy Family Annual Fund, we can make a place for their children at Holy Family. And, while we do not know the magnitude of their futures, we certainly understand the transformational impact of a Holy Family education.

As you may know, without the support of tuition assistance funded by gifts to The Holy Family Annual Fund, more than one-third of our students would likely not be able to attend our school.

This Advent Season, I ask you to help make a place at our school financially accessible for each family who desires a Holy Family education for their child. Please prayerfully consider making a gift to The Holy Family Annual Fund today.

Thank you in advance for your generosity and may you enjoy a blessed Christmas this year.

Sincerely,

Kenna Dooley
Vice President for Advancement
