

## **What does a typical student leadership profile plan look like through the Holy Family Canvas Program?**

### **FRESHMAN YEAR:**

- Develop the first part of your Leadership Profile, designed to empower students by encouraging involvement and documenting growth
- Consult with your counselor and advisor to create and improve your Leadership Profile in relation to your goals and interests
- Participate in some of the many opportunities for service, leadership, volunteerism, and involvement that Holy Family offers throughout the year
- Build and update your Leadership Profile and working resume in consultation with your counselor and advisor
- Try at least one course, activity, or opportunity outside of your comfort zone
- Participate in freshman class retreats, activities, and canvas experiences

### **SOPHOMORE YEAR:**

- Grow and develop the second phase part of your Leadership Profile
- Consult with your counselor and advisor to create and improve your Leadership Profile in relation to your goals and interests
- Participate in some of the many opportunities for service, leadership, volunteerism, and involvement that Holy Family offers throughout the year
- Update your Leadership Profile and working resume in consultation with your counselor and advisor
- Prepare a finished resume that could be used for summer jobs or internships which includes a purpose statement, service and leadership experience, and other relevant information
- Try at least one course, activity, or opportunity outside of your comfort zone
- Develop a list of college and career options and programs that you would like to explore further

## **JUNIOR YEAR:**

- Continue to expand and improve your Leadership Profile
- Consult with your counselor and advisor to identify strengths and gaps in your Leadership Profile in relation to your goals and interests
- Participate in some of the many opportunities for service, leadership, volunteerism, and involvement that Holy Family offers throughout the year
- Update your Leadership Profile and working resume in consultation with your counselor and advisor
- Update your resume to be used for summer jobs or internships that includes a purpose statement, service and leadership experience, and other relevant information
- Participate in a guided panel interview of industry professionals
- Try at least one course, activity, or opportunity outside of your comfort zone
- Hone in on your list of college options and programs that you would like to pursue, and learn more about the qualifications to continue on that path
- Prepare a college application portfolio including:
  - Your updated leadership portfolio/credentials
  - Three letters of reference
  - Writing sample prepared in consultation with the English Department
- Develop a list of vocational directions/options (as best you know them) and the relevant skills that may be required to pursue those options.
- Begin developing a list of mentors within your chosen field(s) of study
- Participate in at least one additional developmental opportunity related to the pursuit of your post-high school goals

## **SENIOR YEAR:**

- Continue to expand and improve your Leadership Profile, designed to empower students by encouraging involvement and documenting growth
- Consult with your counselor and advisor to identify strengths and gaps in your Leadership Profile in relation to your goals and interests
- Participate in some of the many opportunities for service, leadership, volunteerism, and involvement that Holy Family offers throughout the year

- Update your Leadership Profile and working resume in consultation with your counselor and advisor
- Prepare a finished resume that could be used for summer jobs or internships that includes a purpose statement, service and leadership experience, and other relevant information
- Participate in an exit interview
- Try at least one course, activity, or opportunity outside of your comfort zone
- Apply for college after completing and improving your portfolio including:
  - Your updated leadership portfolio/credentials
  - Three letters of reference
  - Writing sampled prepared in consultation with the English Department
- Revise your list of vocational directions/options (as best you know them) and the relevant skills that may be required to pursue those options.
- Update your list of mentors within your chosen field(s) of study
