

Holy Family Catholic High School

your community, your family, your school

Together we can help #HFstayhealthy!

February Weekly Covid Reminders

COVID Updates & Reminders – 2/4/2021

Remain vigilant to the three Ws: Wash your hands. Wear your masks. Watch your distances. Keep up the great work!

COVID Updates & Reminders – 2/11/2021

We continue to see COVID low numbers in our community. Thank you for all you do to keep our students and teachers healthy this year.

We want to remind everyone that teaching online students introduces challenges that do not occur when students are in the building. Please make sure that online students too sick to come to school are well enough to attend classes online. If they are not well enough, please let the school know as soon as possible.

Attendance: If you have a long-term online student, please let the office know when they will not be attending school. There are added layers of complexity to tracking students this year; please help us out by communicating with the school office – schooloffice@hfchs.org.

COVID Updates & Reminders - 2/18/2021

IMPORTANT Attendance Update:

Please remember to call or email the office if your son/daughter will NOT be at school for any reason. The school office will report the absence and let faculty members know. The email address is schooloffice@hfchs.org, and the phone number is (952) 443-4659.

ONLINE school should be reserved **ONLY** for students in isolation because of COVID or COVID symptoms, quarantined because of exposure, or actual illness that prevents a student from coming to school, but would not prevent them from attending classes. Please remember that it is more difficult for our faculty to teach online students; reserving that educational model for the above reasons only is essential. If you need an exception, please contact [Mr. Dols](#) or [Mrs. Livermore](#).
